

# JUNIORS CLASS OF 1960

The Juniors of the Class of 1960 have contributed much to the enthusiasm of M. H. S. They have shown their school spirit by working hard at concessions, yelling at the games, sponsoring pep assemblies, and also by sponsoring school dances.

Outstanding members of the Junior class are: Carol Carlson, Homecoming Princess; Ron Thompson, Vice President of the Student Body; and Donelle Holcomb and Doyle Goard, co-chairmen of the Junior Prom.

The Junior Prom was the first project for the Class of 1960, and had as its theme, "Evening in Paris." Other projects taken by the class were the Junior Variety Show and the Junior-Senior Banquet.

This class has worked constantly to prove that it is very capable and progressive.
